Warren Will Speak In WPB Tuesday

Fuller Warren Democratic Governor nominee, will speak at Flagler Park in West Palm Beach on Tuesday night, July 27.

The Flagler Park engagement will be the nominee's Palm Beach County appearance on his current "Thank You" Tour.

Warren has announced that the purpose of the tour which will cover the county seats of all of Florida's 67 will be to express his thanks for the nomination, and to discuss the problems which will be faced during his administration in the next four years.

He will speak at 8:30 p. m. and a large crowd is expected from all parts of the county.

Warren has been speaking on such pertinent public topics as the citrus problem, commercial fishing on Lake Okechobee and plans for the inauguration on January 4.

Large crowds have greeted him at every county seat during the trip.

Miss Patsy McRae of Tampa is the house guest of her sister, Mrs. Luetta Platt and family.

Kirchman Concern Plans New Station On Padgett Property

A real estate deal consummated several weeks ago is of interest to Pahokee and Glades residents. It is that in which Duncan Padgett sold his home, Dan's restaurant building, and the Sinclair Filling Station building, all located opposite the light plant, to the Sinclair-Kirchman Company of Belle Glade. The Kirchman company has had a Sinclair dealer, Mr. Parker, in the station for several years.

A. E. "Slick" Kirchman, manager of the purchasing concern, said yesterday that plans call for erection of a new and thoroughly modern Sinclair station on the recently purchased site. He said that plans are not fully complete and he doesn't know whether the present station will be moved to the back of the lot or torn down completely.

Mr. Kirchman announced at the same time that his concern recently purchased the remaining half interest of Rodolph Faulk in the Sinclair station being operated by C. C. Cruthird in Pahokee. The Kirchman organization has owned a half interest in the building for several years, and purchase of Mr. Faulk's interest gives the concern completed control. Mr. Cruthird will continue to operate the station.

Lively Commends Glades Guard Unit For High Rating

The Rev. Arthur J. Lively, captain of the Everglades Unit of the Florida National Guard, reports an intensive 2 weeks training at Ft. Jackson in Columbia, S. C., for National Guardsmen. There were 52 members of his regiment known as the Everglades Unit of Company E, 211 Infantry, 51st Division of Florida National Guard, attended the camp where at least six weeks training program was crowded into the 2 weeks.

Assisting Captain Lively were Lt. Gene Pickren and Lt. Karl Mindlin also of Pahokee. Captain Lively said the boys were all eager for the training and took the strenuous camp activities in their stride, sleeping only about 4 or 5 hours a day. The Everglades regiment received the highest rating of any group in the camp which was an excellent rating, he said. "If I had had six more months with the boys I would stack them up against any rifle team in the country," Capt. Lively said commenting on the accomplishments of the unit.

Boys from Pahokee and Canal Point attending were: George M. Belk, Jr., pfc.; Randall Kemp, pvt. Charles Phillips, pvt., Oscar Dobrow, pfc., Royce Taliferro, pvt., John T. Pickett, pfc., Tony Lively, pfc., and James Sims, pfc.

Mrs. R. W. Bowers and daughter, Elizabeth, have returned to their home in Pinecastle, Fla. after visiting her brother-in-law and sister, Dr. and Mrs. L. W. Armstrong in Pahokee.

RRC Member W. C. King Hears Rardin's Phone Complaint First Hand On Tuesday

On Tuesday of this week Wilbur C. King, member of the Florida Railroad and Public Utilities Commission, was a visitor in Canal Point while on his way to West Palm Beach to attend the annual convention of Florida Peace Officers.

Mr. King was accompanied on the trip by G. Max Hardee, inspector for the commission of which Mr. King is a member. Frank Chambliss, a member of the Motor Vehicle inspection division, was also in the party.

It so happened that the editor of this newspaper had plenty of telephone trouble on Monday of this week and was in the notion of reporting his troubles to a member of the railroad commission when Mr. King arrived. So, Paul Rardin, asked Mr. King to listen for a few minutes while Monday's telephone troubles were laid bare before him.

On Monday morning and at several times throughout the day it was utterly impossible to dial to Belle Glade operator from The Everglades News phone. Thinking that the trouble was in the News phone, Rardin dialed friends in Pahokee and sought their assistance in dialing the Belle Glade operator. Finally one was found who could get Belle Glade to answer. This went on throughout the day—calling a Pahokee phone user and asking him or her to dial Belle Glade and have the operator ring The Everglades News phone—2661.

This is a fine state of telephone affairs. It would be all right for a town or village in the back-

woods or so far in the mountains that it would be a treat to call the outside world. But, here in the vast agricultural section of one of the greatest counties in America, to have to put up with such inadequate telephone service is a disgrace. For months and months the Southern Bell Telephone Company has promised better service to the paying subscribers. In giving credit where it is due, it can be said that service is a trifle better than when this newspaper started a campaign for better service several months ago. The phones in Canal Point don't go out EVERY time it rains.

Mr. King, and Inspector Hardee of the Railroad Commission listened carefully to Rardin's complaints about the inadequate and inefficient service now being rendered by Southern Bell and promised that the matter would be investigated. "We'll keep a close eye on their service," Mr. King said, "and, our department understands that extensive installation of new equipment is under way and that service should be better in the future."

Service, as far as this newspaper is concerned, should have been better many months ago. This newspaper will, in the future, as in the past, continue to fight for better telephone service. Not once will the editor oversleep his rights of raising sand about a service which commands top prices for telephone rentals and renders a service far below standards of other communities commanding the same rates.

Cup Is Offered To Soft Ball Winner In Belle Glade League

Six teams in the Belle Glade softball league have finished the first half of the season and are well into the second half. The entire season will take about two months of play—from June 14 until August 16.

An interesting sidelight about the league and its play is the handsome new trophy to be presented the winning team. Slick Kirchman of the Sinclair-Kirchman Company has donated a cup about 30 inches high with appropriate engraving on it. Winner of the summer's play will be given the cup with appropriate ceremony. Names of winners will be engraved on the cup from year to year.

Mr. and Mrs. Leo Wroten and daughter, Barbara, have returned from Brunswick, Ga., where they visited her brother-in-law and sister, Mr. and Mrs. W. M. Miller. They were accompanied on their return by Mrs. Miller who visited here for a few days.

Mr. and Mrs. M. D. Geiger and daughter, Patsy, are spending two weeks at Fort Myers Beach.

Funeral Services For Mrs. LeFils

Funeral services were held Monday afternoon at the Community Methodist church in Belle Glade for Mrs. Esther LeFils of Belle Glade who died Thursday afternoon following a long and severe illness. The Order of Eastern Star was in charge of the services and burial was made in Woodlawn cemetery at West Palm Beach.

Rev. L. F. Vandewater, pastor of the church, officiated at the funeral and burial. Berry Funeral Home of Pahokee directed the funeral.

Funeralbearers were Pat. L. Burke, W. West, "Slim" Corbin, Hugu Dell and A. E. Kirchman.

Mrs. LeFils had been an active member of the Eastern Star and had held many responsible positions in the organization. Many friends in the Pahokee and Canal Point community joined her friends of the Belle Glade-South Bay section to attend the final rites.

Mrs. C. T. Jackson is staying with her mother, Mrs. J. W. Payne who is ill at the Weems Hospital in Sebring.

Will Ask Bids On State TB Hospital For Palm Beach Co.

Bids for construction of the new state tuberculosis hospital at Lantana will be asked in a few days, W. T. Edwards, chairman of the Florida Tuberculosis Board, said Tuesday.

The TB hospital will be built on a tract of 160 acres donated for the purpose by the county commission of Palm Beach County. The tract is located north of the Lantana road between the FEC and SAL railroads. It is a high sandy piece of land and an ideal location for such an institution.

"We expect this to be the most modern, up-to-date tuberculosis institution in the United States," Edwards declared.

M. Ross Watson will be the board's agent in the construction and will work with county commissions in the area, Edwards said.

Nazarene Church To Hold Vacation Bible School

The Church of the Nazarene will conduct a Vacation Bible School at the church beginning Monday and continuing through Friday. The school picnic will be conducted in the City Park on Saturday.

Mrs. C. M. Todd has been named as the supervisor of the school with the following superintendents and teachers assisting: Mrs. Christine McCord, superintendent of the intermediate department assisted Mrs. Robert Rutherford; Mrs. Earl Pitts, junior department; assisted by Mrs. Margaret Adams; Mrs. Frances Johnson, primary girls, assisted by Mrs. Laura Brady; Mrs. Pat Todd, beginners. The Rev. Robert Rutherford will have charge of the boys from the intermediate through the primary departments. He will be assisted by Billy Ray Mosley. "Class sessions will start at 9 and continue through 11 a. m."

Word Received Of Death Of Relative

Word was received Monday of the death of Dr. L. W. Armstrong's brother, S. H. Armstrong at his home in Salem, Ind., Dr. and Mrs. Armstrong, who left early Monday morning for New York City where they were to attend the Lions National convention, were contacted by state road patrolmen at Sebastian. The Armstrongs will go to Salem for the funeral on Thursday.

CIRCLE TO MEET

The Simonsen-Lair circle of the Methodist Woman's Society of Christian Service will meet at the home of Mrs. T. L. Burns Monday at 3:30 p. m. with Mrs. John D. Rogers as co-hostess and Mrs. Arch Blakey, program chairman, in charge of the program. Mrs. J. L. Fraser, chairman, will preside.

Watch That Sun

Sunshine is one of the chief assets of the state of Florida. Most persons who live or visit here acquire a coat of tan to some degree, depending upon how much time they desire to spend outdoors, or are required to do so by the nature of their work.

Sunlight is healthful but it can also be definitely harmful by prolonged exposures to direct rays of the sun, particularly while acquiring that coat of tan. Sunlight contains about 15 percent visible rays, 78 percent heat and 7 percent ultra-violet rays.

Physicians warn against trying to develop a coat of tan too quickly. Sunburn is just what it says. It is as much a burn as that received from any other source, and the results may be equally serious. Too much sun, even for those used to it, may result in chills, fever, headache or delirium.

Get your suntan gradually. The first periods in the sun should be no longer than 15 minutes, unless it is early morning or late afternoon. Each day the periods of exposure can be increased until an effective coat of tan has been produced. You may be the type who burns easily. Blondes are normally more affected than brunets. Because their skin is more tender, children of any complexion are more likely to get sunburned than adults.

Calamine lotion is soothing for sunburn and does not stain clothing. Olive oil and cocoa butter also may provide some relief. Remember that you are dealing with a burn. Have respect for the possible complications and if it is at all severe, or if it produces a fever, a doctor should be consulted.

Pastor Thanks All For Assistance In Vacation Bible School

The Vacation Church School of the First Methodist Church in Pahokee is continuing through this week meeting Monday, Wednesday and Friday.

Those assisting the pastor have been as follows: Intermediate Department: Donald Padgett, Thomas Howes, Jack Spencer and Mrs. Dan Carpenter; Junior Department: Helen Howes, Frank Rozelle, Jr., Yvonne Fraser, Loreta Wilson, Sasser Watson and Mrs. C. T. Howes; Primary Department: Mrs. Arch Blakey; Mrs. R. F. Hurt and Mrs. T. L. Burns; Kindergarten Department: Mrs. Kenneth Moca, Mrs. R. O. Lampi, Mrs. Helen Davis, Mrs. Jack Phillips, Mrs. Orin Bacon and Miss Anna Lee Hurt.

It is no exaggeration to say that in this school some of the finest work ever accomplished has been done. The pastor would express his sincere appreciation to all who have assisted in making possible this fine work for the church and the Kingdom of God.

The closing session of the school will be on Friday afternoon with the commencement services on Sunday Evening at the time of the worship Service. Each department will give a short program, or part of the program and a display of their work. Following the program the Sound Movie "Thy Will Be Done" will be shown. This is a missionary story having to do with the work of the church in the spread of the gospel of Christ around the world.

The pastor will use as his message theme next Sunday Morning "Is The World Growing Better?"

Extra! Extra! New Building Is Going Up In Pahokee

A new building is going up in the business section of Pahokee. Malcolm Miller, owner and operator of Miller's Shoe Shop, is the builder of the new structure located next door to the A&P Store.

The new building will be a concrete structure 25x50 feet two stories high. M. Garrett is the contractor in charge of construction. Mr. Miller said yesterday that his plans call for two store rooms on the ground floor—one to be occupied by his shoe repair shop and the other by a package store. Rooms on the second floor will be used for offices, Mr. Miller said.

Bert Lapp Named National Director Of Engineer Group

Of interest to his many friends in the Lake Okeechobee Region will be a story appearing recently in the Savannah Morning News about H. L. (Bert) Lapp, a former resident of Pahokee where he was district manager for the Florida Power and Light Company. The story appears below:

The appointment of Major H. LaBerte Lapp as a national director of the Society of American Military Engineers was confirmed yesterday, and he will leave Wednesday to attend the organization's 28th annual meeting at Fort Belvoir, Washington, D. C., on Friday.

Major Lapp is executive officer of the Savannah District, U. S. Engineers, and as director of the society will represent the southeastern section of the United States.

Included on the program of the annual meeting will be a demonstration of the latest type of floating bridges, a business meeting, an inspection of the facilities and equipment of the Engineer Research and Development Laboratories at Fort Belvoir, and a meeting of the society's Board of Directors.

Major Lapp is one of six additional directors named in various sections of the country under a recent change in the organization's by-laws.

Major Lapp is a native of Baltimore, Md. He attended public schools of Trenton, N. J., and Bucknell University, in World War I he served in the Field Artillery and in World War II he was on active duty from September, 1942, to November, 1946, serving through the grades of first lieutenant to major. From November, 1946, to date he has served as executive officer of the Savannah Engineer District.

He has served as commander of Post 90, American Legion, in Pahokee, Fla., and assisted in organizing the Savannah Army and Navy Officers Club in which he served as a director.

Major Lapp has also served as director and as president of the Savannah Post of the engineer society which he assisted in organizing.

P&L Concern Buys A Store In Stuart

The P. & L. Stores, Ltd. have purchased McClung's 5c to \$1.00 store, located at 200 Osceola Avenue, Stuart, Florida. The store was owned by Oscar F. Johnson for the past twelve years.

This announcement was made today by Clarence J. Lewis of Lake Worth, Florida, general manager of the P. & L. Stores, Ltd. Other stores owned and operated by the P. & L. Stores are located in Belle Glade, Pahokee, Delray Beach, and Lake Worth.

As yet no manager has been named for the Stuart branch. The

temporary operation of the store will be handled by Mr. M. M. Rogers, merchandise manager and superintendent of the P. & L. Stores.

Mr. Lewis said they were very happy to have a store in Stuart and would do their utmost to make Stuart proud of them.

Mrs. Owen Todd and daughters, Joan and Willadene have returned from Vero Beach where they visited her parents, Mr. and Mrs. Fred Collier.

Mrs. Albert Anders and daughter, Patsy, of Belle Glade are the guests of her mother, Mrs. I. E. Hamilton this week.

Cinematic Chatter

By Malcolm Miller

Of all the branches of service in the United States Government I don't think there is one that rivals the Department of T-Men for adventure, danger and expert workmanship. There's truly a "thankless job."

"T-Men" happens to be the name of the picture that is scheduled to be screened at the Prince Theatre this Sunday-Monday, with Dennis O'Keefe, Mary Meade and Walt Ford in the principal starring roles and supported by a fine cast of featured players.

For the information of those who are not familiar with the term "T-Men", allow me to explain, these gentlemen are agents of the Treasury Department, and their job has to do with "hot money", income taxes etc., so you can see that it is one that is bound to be mixed up with the toughest of all racketeers, and it is adventure.

Well... You'll have to sweat your way through "T-Men" to thoroughly understand me when I say this is one of the greatest shows yet screened here.

See you at the movies—Mal.

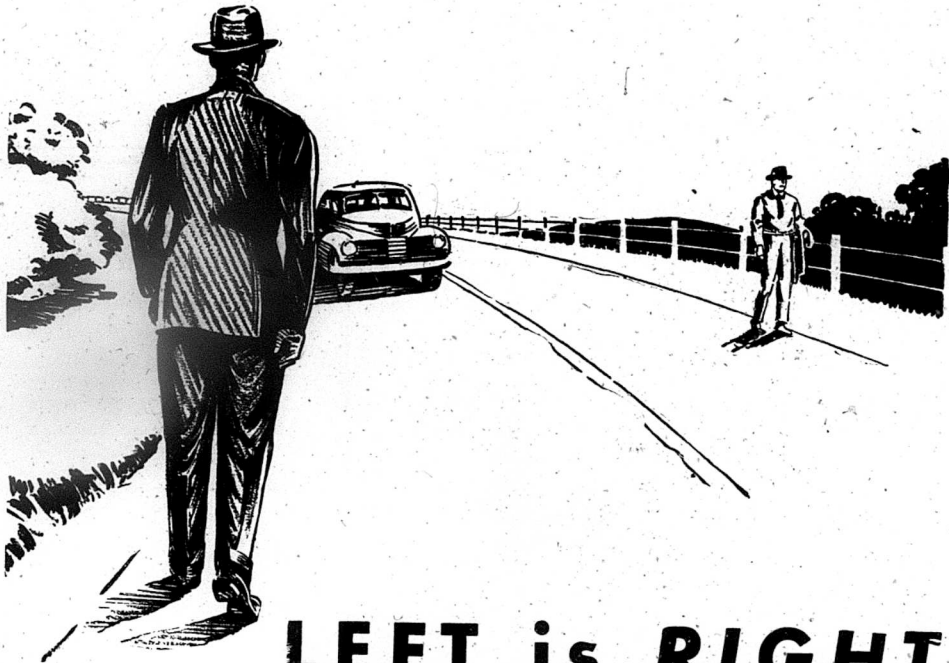

New Race Dates Are Sought By Track Operating At Tampa

DAYTONA BEACH—Sunshine Park horse track, located at Oldemar, near Tampa, has asked the Florida State Racing Commission in session here to reduce its season from 50 to 40 days, extending from January 19 to March 5. It also asked to be allowed to run at night if a dog-track is permitted to operate in the afternoon within 100 mile of the track.

At the same session, the Racing Commission refused to enter into a dispute between the Greyhound Owners' Benevolent Association and the Florida track owners. The dispute stems from a strike last winter of GOBA members who charge that some track owners have refused to book greyhounds owned by members and directors of GOBA.

Applications for racing dates were filed by 11 greyhound racing tracks for next season's operations.

According to the Automotive News Almanac, Chevrolet has more than 6,600,000 cars on the road while Ford's total is almost 6,100,000.

LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Mr. Motorist—

Pastor's Wife Honored On Birthday

Members of the Church of the Nazarene in Pahokee honored their pastor's wife, Mrs. Robert Rutherford, with a surprise birthday party at the parsonage Thursday evening. The group met at the church and went in a body to the parsonage where games were played and refreshments served. Mrs. Earl Pitts, Mrs. R. O. Crosby and Mrs. Peggy Crosby were hostesses for the occasion.

Guests attending were: Mr. and Mrs. Jim Mizelle, Mr. and Mrs. C. M. Todd, Mr. and Mrs. Roland Todd and son, Mr. and Mrs. Robert Sullinger, Mrs. T. S. Spooner, Mrs. Mamie Stamps, Earl Pitts and daughters, Beverly and Amanda and the Rev. Rutherford and children, Steven, David, and Rebecca.

Mr. and Mrs. W. H. Kemp and children are visiting relatives in Georgia.

CARD OF THANKS

We wish to take this opportunity of thanking the many friends and neighbors for their kindness during the illness and death of our loved one. We shall always remember these kindly acts and hold them dear in our memory. To those who sent beautiful floral offerings and offered words of consolation, we shall always be grateful.

L. A. (Dick) LeFils and Family.

Honor Mrs. Brooker At Farewell Party

The Canal Point Baptist Missionary Union honored Mrs. Henry Brooker, president of the organization who is leaving within a few days to make her home in Richmond, Va., with a farewell party at the home of Mrs. Loel Lence Wednesday evening following the mid-week prayer service. Mrs. Lence and Mrs. E. Smith were the hostesses and served refreshments to 26 attending.

Mr. and Mrs. A. L. Vertomen and family have returned from Plantation Key where they spent a week fishing.

Lions Attend Varied List Of Business

At a meeting of the Pahokee Lions Club Tuesday at the Lions Hall the Capt. A. J. Lively gave an interesting report on the 2 weeks training program for the National Guard at Ft. Jackson in Columbia, S. C. Around 50 members of the Everglades unit known as Co. E. 211 Infantry, 51st division, Florida National Guard, attended the camp accompanied by Captain Lively. He reported that his regiment received the highest rating in the Co. which was an excellent rating.

During the business session Robert J. Schroder reported that the discarded pipe line which the city donated to the club for the swimming pool, has been excavated and approximately 1,000 feet is ready for use.

President Manning Keen reported that progress is being made on the repair of the Pahokee roadside sign at Twenty Mile Bend and that the sign will be located on a new site. J. M. Elliott announced that plans are going forward to establish a State roadside park in this section and that committee members will contact the superin-

tendant of roadside parks to determine the location.

Guests were Frank Hobson principal of the Belle Glade School and Lion Mathis also of Belle Glade and the Rev. R. A. Fuller of Canal Point.

Janette Harrington Has Birthday Party

Janette Harrington, daughter of Mr. and Mrs. A. R. Harrington of Canal Point, celebrated her fourth birthday anniversary on July 20 with a party at her home. Ice cream, cake and punch were served to 30 of Janette's little friends. Mrs. Harrington was assisted in entertaining the children by her sister, Mrs. W. P. Jernigan of Clewiston.

APPRECIATION

I wish to express my sincere thanks for the kindness, lovely cards and flowers during my illness. I shall always be thankful to each of you.

Mrs. Claude Padgett.

Mr. and Mrs. J. E. Sullinger and children have returned from a two weeks vacation spent with his parents in Kentucky.

Legion Seeks Data On New Pahokee Dock

At a meeting of the Fred and Percy Mansfield American Legion Post No. 90 Monday evening at the Woman's club it was reported that no answer had been received from the letter sent to the Palm Beach Port Authority asking when they proposed to rebuild the Pahokee city dock which was destroyed in the September hurricane.

According to an article in one of the daily papers, plans were under way for the construction of a steel dock to replace the wooden structure which was destroyed and washed out into the lake. It was announced that the American Legion team placed second in the City soft ball league. Lester Hatton was received as a new member. He was introduced by Tom Boland.

Mrs. J. B. McDowell has gone to Sterling, Ky., where she will spend two months with her cousins, Mrs. Ella Terry and Mrs. Lizzie Pittman.

Carr Mizelle of Zellwood, Fla., was the guest this week of his brother and sister-in-law, Mr. and Mrs. Jim Mizelle here.

Methodists To Close Vacation School

The annual picnic of the Pahokee Methodist Church School was conducted Wednesday afternoon on the lake front side of the government levee following the vacation Bible school session which was conducted Wednesday afternoon at the church. A basket dinner and barbecued ribs were served to members of the school and guests attending.

T. L. Burns, Sunday school superintendent, was presented with a gift from the Sunday school in celebration of his birthday anniversary. The festivities were closed with a twilight Galleian service with the Rev. Carson T. Howes, pastor of the church in charge.

The vacation Bible school will close on Friday and the program presented by pupils will be conducted Sunday evening at the regular worship service hour.

Mrs. H. L. Speer is visiting her daughter, Miss Betty Speer, who is studying to be a medical technician at the Charity Hospital in New Orleans. Mrs. Speer will also visit her mother, Mrs. A. Harris in Gainesville before returning to her home in Pahokee.

Crowds Gather To Hear Warren Offer 'Thank You' Speech

TAMPA—Closing out the second week of his statewide "thank-you" tour, Fuller Warren, Democratic Nominee for governor, is here for a Friday afternoon and all-day Saturday visit with members of the 1949 State Legislature.

In announcing and launching this tour, Warren has made political history for Florida, for nothing like it had ever been undertaken by a gubernatorial nominee in this state. At this week's end, Warren will have spoken in 33 of Florida's 67 counties, and at most points crowds were larger than during the actual campaign.

At Okeechobee a crowd of nearly 2,000 heard Warren express his thanks and reaffirm his pledge of 4 years of faithful service as governor. Warm, often very hot, weather has not kept big crowds from turning out to hear Warren. He seems to be gathering high approval from the people for his return to their particular county to say "thank-you."

The Democratic Nominee has personally conferred with other one-half of the members of the Florida Legislature prior to their arrival here, and most of them have assured him of their cooperation in the Legislature.

In his talks, Warren has asked each county to plan for a large participation in the inauguration in Tallahassee next January 4, and he has invited everyone to attend.

Warren declared he hoped that his "partnership with the people," would continue throughout his 4 years as governor. "I ran as the people's candidate and I will be the people's governor," he said.

As he begins his third week on Monday, all over Florida, they are giving high praise to Fuller Warren.

Sorority Meeting Held At Cypress Lodge

The Beta Omicron Chapter of Beta Sigma Phi met on Thursday night at Cypress lodge for a dinner meeting. Mrs. W. H. May, chairman of the Social Committee and Mrs. H. T. Williams were in charge of arrangements.

The Lodge was beautifully decorated and the tables were set with lighted candles and symbolic little rosebud place cards. Mrs. John A. Dulany presented the invocation.

Following the dinner, Mrs. M. I. Keen, vice-president, presided at the meeting in the absence of Mrs. E. J. Graham, president. It was voted that future meetings will be held the first and third Thursday nights of each month. As their major project, the Omicron Chapter is supporting the Canal Point and Pahokee girl scouts. This worthwhile project will prove its value as the local girls grow into womanhood guided by high aims and ambitions. The communities of Canal Point and Pahokee admire the newly established Sorority for its high aims and feel that it is definitely an asset.

After the business session, Mrs. I. M. Lair, program chairman, Mrs. E. E. Sims, Jr., and Mrs. Curtis Chase, presented an interesting program of table setting and decorating.

The following members were present: Mrs. David Bleach, Miss Betty Lou Pickett, Mrs. M. I. Keen, Mrs. E. D. Sims, Jr., Mrs. John A. Dulany, Mrs. James G. Thomas, Jr., Mrs. Gordon Hillier, Mrs. D. W. Cunningham, Mrs. Parnell Enecks, Mrs. J. M. Elliott, Mrs. Pat Schoepel, Mrs. James Holden, Mrs. J. T. Parker, Mrs. Earl Maxson, Mrs. O. R. Bleach, Mrs. I. M. Lair, Mrs. Curtis Chase, Mrs. H. T. Williams, Mrs. Oscar Chastain, Mrs. W. H. May, Mrs. Glenn Abing, Mrs. R. R. Long, Mrs. Clyde Alley, and Mrs. Melvin Spooner.

The next meeting will be at the home of Mrs. W. H. May on Thursday, August 5.

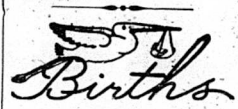

CHURCH OF CHRIST SCIENTIST

"TRUTH" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, July 25.

The Golden Text is: "Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgement: a God of truth and without iniquity, just and right is he" (Deuteronomy 32:3, 4).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart" (Hebrews 4:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence the fact that, today, as yesterday, Christ casts out evils and heals the sick" (142:31).

Births announced at the Everglades Memorial Hospital in Pahokee this week include: Mr. and Mrs. Earl Wolfe of Pahokee, a son, William Barry, July 19th. Mr. and Mrs. L. R. Watson of Indiantown, a son, Joseph Leon, July 15th.

Mrs. W. P. Jernigan and son, Billy, of Clewiston, spent several days this week with relatives and friends in Canal Point.

Fish Board To Study Okeechobee Waters

TALLAHASSEE — The State Game and Fresh Water Fish Commission Monday (July 19) authorized an expanded \$77,000 fisheries survey of Lake Okeechobee and the St. Johns River in an effort to hasten settlement of the long-standing commercial fishing dispute on the two bodies.

Commission Chief Fisheries Biologist John F. Dequine said the expanded program would speed up his study "by at least two years." He estimated the new survey would take from eight to twelve months.

The more intensive fact-finding project was recommended to the commission by the 14-man committee assigned last month to study the problem.

Six commercial fishing crews on each body will be selected to help on the survey. Each crew will be supervised by a commission biologist. The netters will be allowed to sell "rough fish," taken in the hauls, but all game fish must be returned to the water "alive and unharmed."

The biologists will check fish populations, habits, growth rates and production potentialities in the two waters.

The study committee, composed of both sports and commercial fishermen, has indicated it will withhold a final recommendation pending results of the biological survey.

The magazine Sales Management, in a recent survey disclosed United States families spent the largest amount of their take home pay in retail stores during 1947.

Convert Ramie To Finished Fibre In 20 Minute Period

MIAMI — Russell N. Edwards, Miami engineer, reported this

week that he had solved the age old problem of processing ramie fibre and, at the same time, announced that he will head a new company that will establish a decorticating plant at Belle Glade for commercial production of the age old fibre now being grown commercially in the Everglades

and other areas of the state.

The new process is chemical-mechanical and converts the raw ramie into finished fibre in 20 minutes. The new plant will have 20 to 50 units, each capable of producing 500 pounds of finished ramie an hour without waste, according to Edwards.
